DEAR VIOLET GROWER:

"The Golden Greenhouses" was organized to produce and sell the best in African Violets. Our first list is presented with names only to save time in issuing the list. We had intended to mail it in September, but delays in organization and printing has made it later. It is hoped that a master list, with descriptions, may be prepared in the near future.

We are still in the building stage. Our showroom has just been completed and is open to the public. Our basement is complete, while our greenhouse is just a pile of boxes and bundles on the ground. We hope to have it erected by Thanksgiving. We will then have space to grow more African Violets and other pot plants.

We have many more varieties on hand than those listed in the list, some of the newer ones are on hand, but we have not been able to re-adjust our list to include them. If there are any old or new varieties you just have to have, let us know; perhaps we can find it for you.

POLICY

LEAF ORDERS: All leaf prices are for leaves freshly removed from healthy plants. Please include 50¢ for postage for all orders under \$5.00. We will pay the postage on all orders over \$5.00 for retail orders. We will sell wholesale in quantity to dealers only. If you wish rooted leaves add 15¢ to each leaf price and specify rooted leaves. If you wish us to substitute similar or better varieties please send extra names with your list.

POT PLANT ORDERS: The price following the leaf name is the price for 2¼" pots or larger. Pot plants will be shipped parcel post or Railway Express, all charges to be paid by the customer. We will ship leaves and pot plants on Mondays and Fridays, so that they will not arrive to lay in your postoffice over a week-end.

A complete line of supplies will be maintained to help you grow better African Violets. If you have a special problem, or desire something different in fertilizers, labels, or supplies please write. We have all the scientific training necessary, and most of the experience needed to help with your problems.

Our Greenhouses and showroom are located on Highway 72, four miles west of Arvada, Colorado. Our mail address is Golden, Colorado. Our official address is 14005 W. 64th Ave. From Denver come out West 44th Avenue to Ward Road and then north to 64th, turn left (west) one mile "over the hill." Telephone Arvada 0380-J2 until November 15th, then it will be HArrison 4-5024.
